Docket No. 02-0338

**MOTION TO DISMISS**

NOW COME, United States Advanced Network, Inc., by its regulatory consultants, and moves the Illinois Commerce Commission ("Commission") to dismiss this citation proceeding and in support thereof states as follows:

1. This citation and show case proceeding was initiated by a Commission order entered on May 8, 2002 resulting from the Commission being notified by the Illinois Secretary of State that United States Advanced Network, Inc.'s Certificate of Authority to operate in the State of Illinois had been revoked due to failure to file an Annual Report and pay the annual franchise tax required under The Business Corporation Act of 1983.

2. United States Advanced Network, Inc.'s failure to make the required filings and tax payments was the direct result of delays in returning documents from the Illinois Secretary of State's office to Technologies Management, Inc. in order to fix minor typographical errors and/or other minor oversights. Technologies Management, Inc. assumed the 2001 report was accepted by the Illinois Secretary of State's office since it was not returned in 2001. During a proactive phone call in February 2002 to check the

status of United States Advanced Network, Inc.'s standing with the Illinois Secretary of State, Technologies Management, Inc. became aware that United States Advanced Network, Inc. needed to re-file the 2001 annual report along with an Application for Reinstatement. Technologies Management, Inc. filed the appropriate reports along with a 2002 annual report only to receive the filing back 6-7 weeks after the filing to fix additional typographical errors not noted in the previous filing. The latest filing before the Illinois Commerce Commission revocation order was on May 6, 2002. In summary, the Company has rectified the situation in late May 2002/early June 2002 and filed these documents with the Illinois Secretary of State's offices using an Illinois Secretary of State approved expedited filing company. The reports were accepted as is without any changes or typographical errors noted by the Illinois Secretary of State's office. In the future, United States Advanced Network, Inc. will file the annual reports using an Illinois Secretary of State approved expedited filing company.

3. United States Advanced Network, Inc. has now made all of the required filings and payments and is a foreign corporation in good standing and is authorized to transact business in the State of Illinois. Attached hereto as Exhibit "A" and incorporated herein by reference is a copy of the Certificate of Good Standing issued to United States Advanced Network, Inc. by the Illinois Secretary of State on June 3, 2002.

4. United States Advanced Network, Inc. respectfully requests that the Commission dismiss this proceeding immediately since the company has now remedied the situation that had led to the initiation of the proceeding. In addition, United States Advanced Network, Inc. respectfully requests this proceeding to be dismissed and the

hearing on Thursday, June 27, 2002 at 10:30 a.m. CDT be abandoned since the cause for the hearing has been remedied.

WHEREFORE, United States Advanced Network, Inc. respectfully moves that the Illinois Commerce Commission to dismiss this docket.

DATED this 6<sup>th</sup> day of June, 2002.

Respectfully submitted,

UNITED STATES ADVANCED NETWORK, INC.
